CONTRACT PLUS:

The Weatherdek Contract Plus series incorporates a simple yet appealing design with rich color tones that compliment darker home finishes, or contrast boldly with lighter cooler finishes. A very durable pattern the Contract Plus is great for a multitude of uses, decks, patios, balconies – virtually anywhere a rugged, watertight finish is required. Like all Weatherdek Plus membrane the Contact Plus is a roofing grade material, and can extend your living space by converting flat roof top areas into elegant outdoor entertaining areas.
