

#WD-304  
PVC CLIP

## PVC CLIP & DRIP FLASHING

Weatherdek galvanized sundeck edge drip flashing and PVC fastener clip create an integrated perimeter drip edge finish with the Weatherdek membranes. By wrapping the Weatherdek membrane continuously over the edge of the deck surface the Waterproofing protection is uninterrupted all the way to the drip edge.

### NOTES:

- 30 Gauge Galvanized Drip Flashing.
- Membrane continuous to drip edge.
- Clean sleek edge finish.

### PVC CLIP COLORS:

- Grey, Beige, Taupe, Black & White
