PVC SAFETY CLIP
SAFETY FLASHING

WATERPROOF DECK MEMBRANES

SAFETY PVC CLIP / SAFETY FLASHING

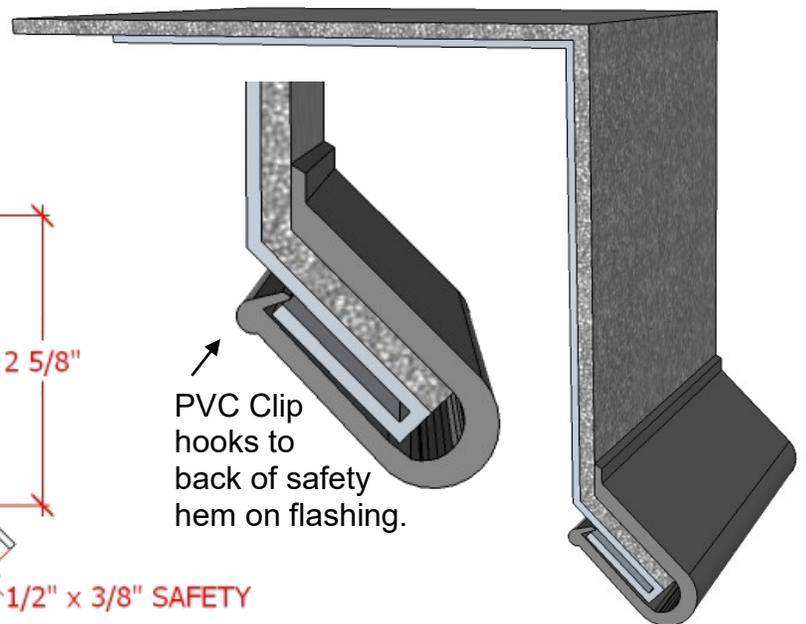

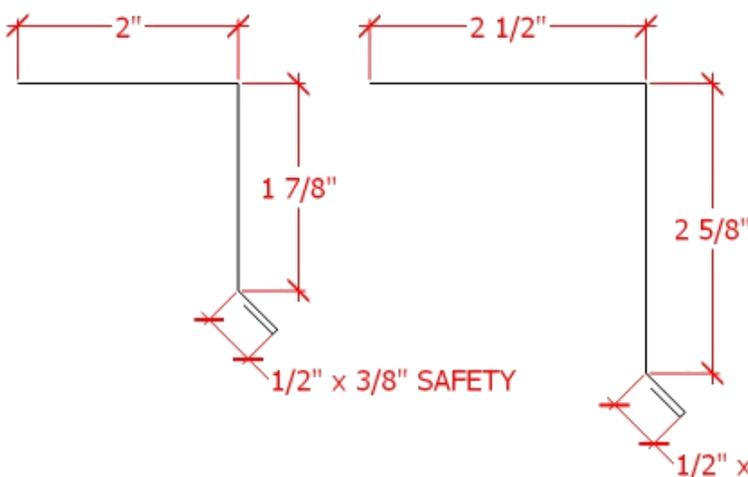

Weatherdek galvanized edge drip flashing and PVC Clip create an integrated perimeter drip edge finish with the Weatherdek membranes. By wrapping the Weatherdek membrane continuously over the edge of the deck surface the waterproof protection is uninterrupted all the way to the drip edge.

- Clean sleek edge finish
- No visible fasteners
- Safety Clip locks in place on flashing
- Multiple clip colour options

- Safety Drip Edge Flashing - 8 ft ea
- Safety Drip Edge Flashing - 8 ft ea Extended
- 35 pcs per tube
- PVC Safety Clip available in:

GREY, TAUPE, BEIGE, BLACK, WHITE
